Area Overview

The Hornets aren't the only thing buzzing in New Orleans. The revitalized city is bustling with new restaurants and attractions to compliment the jazz music, Cajun traditions and eclectic culture that have always kept New Orleans alive. Considered by many to be America's most unique city, there is no better place to appreciate the essence of New Orleans than at the city's very own Drury Inn & Suites.

New Orleans offers a variety of entertainment and dining options unlike any other city in the world. Jazz clubs line the streets and delicious Creole dishes are served in its famous restaurants. But for travelers planning on working off their crawfish dinners by walking, the Drury Inn & Suites isn't the ultimate calorie burner. The downtown hotel is only 4 blocks from the famous French Quarter and Bourbon Street, and a measly 8-block walk from the Aquarium of the Americas.
