Area Overview

Music City USA needs little introduction. From country superstars to gospel choirs to the Tennessee Titans, we all know that Nashville has plenty to offer. Yet while Music City has no problem standing tall on it's own, it stands even taller when coupled with a stay at the Nashville Airport Drury Inn (which, by the way, is a rather impressive six stories tall).

In a city as alive as Nashville, the first thing you'll need is a breakfast that also brings you to life. Stale toast and a box of cornflakes without milk won't give you the QUIKSTART® you need to face Nashville's fast-paced music culture. Drury's free HOT! QUIKSTART® breakfast, on the other hand, which includes scrambled eggs, Belgian waffles, fresh fruit and more, will boost you into a Music City conducive frame of mind.
