## Area Overview

Home to a famous Native American princess and the Drury Hotels corporate office, Creve Coeur is more than just a breathtaking St. Louis suburb. Creve Coeur's unique history ("Creve Coeur" means "broken heart". It was named after the distraught princess whose love for a French fur trapper wasn't reciprocated) and convenient location make it a legitimate hot spot in the area.

Downtown St. Louis is only a few stone throws away, but it might be tough to pry yourself away from the Drury. With an indoor pool, fitness center, 37" flat screen HD TV's, popcorn, soda, and the free 5:30 Kickback®, is there really anything else you could be doing? Opponents of staying in at night would actually say, "yes", and we at Drury certainly don't want to limit you. With two movie theatres close by (Creve Coeur and AMC West Olive) a friendly flick might be right up your alley.
