Area Overview

The St. Louis Airport Drury Inn is special for a number of reasons. One, it puts you near the airport, which some find especially convenient. Two, it just so happens that Lambert Airport is sort of in the center of St. Louis County, which means you're really, really close to nearly everything the St. Louis area has to offer. If "what St. Louis has to offer" means very little to you, read on...we're here to educate.

Before we list off every great thing about St. Louis, we need to remind you that regardless of the purpose of your visit, you're going to want to start your day with Drury's free Hot Breakfast. With scrambled eggs, Belgian waffles, biscuits and gravy, sausage and more you'll be all set to venture, east, west, north or south—which are all directions you can go from the airport to find cool attractions.
