Area Overview

You probably didn't know that Marion was the Hub of the Universe, but Marion mayor Bob Butler declared it just that in 2006 and no one has since gone on record to refute his claim. We at Drury certainly can't argue with the title because this hub of the universe has a lot to offer within its friendly, small-town confines. If you're into wildlife, the Crab Orchard National Wildlife Refuge sits right at the end of town while the Shawnee National Forest is just a few miles away. If you're into golf, the Kokopelli Golf Club will allow you to unleash your inner Tiger. Whatever activity suites your fancy, we know you're going to need a home base, and that's where the Drury Inn of Marion comes into play.
