## Area Overview

Many travelers spot St. Louis on a map and immediately think of two things: the arch and nothing else. We're here to tell you that while the arch is tall and sweet and definitely definitive of St. Louis, the "nothing else" part is simply inaccurate. What about the home of the Anheuser Busch Clydesdales and the St. Louis Cardinals? What about the 2nd largest park in America, Forest Park? And what about Ted Drewes Frozen Custard? The bottom line is that St. Louis is the same bustling metropolitan area it was in 1904 when it hosted the World's Fair, it's just a little more spread out. With all the Drury Hotels in the area, the city may be just the place for your vacation, enjoyable business trip, or random & spontaneous drop-in.
